

# **CURRICULUM VITAE**

**Mark Emberton**

GMC 3098619  
MDU 196000A  
BMA 2011256-41

Name: Mark Emberton

Date of Birth: 16 October 1960

Education: 1972 - 1979 St Boniface's College, Plymouth  
1979 - 1985 Imperial College Medical School at St Mary's Campus  
1981 - 1982 University of London, Bedford College

Qualifications: BSc (Hons) 2.1 1982 Psychology  
MB BS 1985  
FRCS (London) 1990  
FRCS Urology 1997  
MD, University of London 1997

AWARDS: Honours - General Surgery, London University  
Honours Viva - Clinical Pharmacology, London University  
University of London,  
Anthony de Rothschild Prize  
Outstanding performance - General Surgery.  
The Conference of Medical Royal Colleges  
Communication Award 1994 (runner up)  
The Royal College of Surgeons of England  
Research Fellowship Award, 1995  
Department of Health / Merck Sharpe & Dohme  
Research Award (CD ROM Project), 1995  
Ethicon Travel Fellowship, 1996  
St Peter's Research Trust Grant, 1997  
British Urological Foundation Research Award, 1997  
Prostate Forum Research Grant, 1998  
British Urological Foundation Travel Award, 1998  
Best poster prize, NICE Clinical Excellence Conference 1999  
UCLH Special Trustees Grant, 2000  
Action Research Award, 2001

St Peters Trust Grant, 2001

Royal College of Surgeons Pump Priming Grant 2001

UCLH Special Trustees Grant, 2001

BUPA Foundation Award 2002

BUPA Foundation Award 2003

St Peter's Research Grant 2003

Languages: Spanish - fluent.  
French - proficient

**PROFESSIONAL EXPERIENCE:**

Current posts: Senior Lecturer in Oncological Urology / Honorary Consultant Urologist  
Institute of Urology and Nephrology  
Royal Free and University College London School of Medicine  
University College London

Clinical Director  
Clinical Effectiveness Unit,  
Royal College of Surgeons of England, London

**POSITIONS HELD:**

Clinical Director Clinical Effectiveness Unit Royal College of Surgeons of England  
Editor: CME Bulletin - Urology  
Associate Editor: Prostate Journal  
Associate Editor: Journal of Integrated Care  
Associate Editor: British Journal of Urology  
Associate Editor: Uro-oncology  
Advisory Board: BAUS Office of Education  
UK representative: Innovators in Urology  
PROTO trials group member  
Course Director, MSc and London and South East Urological Training Scheme  
European Association of Urology/European Society of Radiation Oncologists working party on Brachytherapy  
Lead Investigator UK – Alf-one study  
Lead Investigator UK – Prostate Cancer Prevention Trial  
Health Quality Service Kings Fund Committee member  
Panel - BUPA Foundation Clinical Excellence Awards  
European Association of Urology Clinical Research Office – Board Member 2001-date  
Specialist Adviser Interventional Procedures Programme, NICE  
Advisory Board Clinical Guidelines Programme, NICE  
Lead Clinician Clinical Audit Urology Directorate UCLH  
Lead Clinician Clinical Governance Urology Directorate UCLH

Lead Clinician Urological Cancer MDT meeting, UCLH  
Chair Clinical Guidelines Development Committee, UCLH  
National Cancer Research Network NCRI (Prostate) Committee  
member Sept 2003 –  
Prostate Cancer Charitable Trust. Board of Trustees Sept 2003 –  
Specialist Advisory Committee in Urology (SAC) October 2003 -

Membership held:

British Association of Urological Surgeons (BAUS)  
BAUS Oncology Group  
British Prostate Group  
European Association of Urological Surgeons (EAU)  
Spanish Association of Urological Surgeons (AEU)

**Areas of Expertise**

All aspects of prostate disease, prostatitis, BPH and prostate cancer.

Evaluation and management of voiding dysfunction

Procedures performed include brachytherapy, cryotherapy, high intensity focused ultrasound and radical prostatectomy for prostate cancer. The usual operation for BPH including microwave treatment and Memokath stent placement.

Mark Emberton can lecture widely on the subject of prostatitis, BPH or prostate cancer.

**INTERESTS:**

Sporting activities which include:  
association football, skiing, horse riding, and cycling.  
Iberian languages and culture.  
Regional European cooking.  
Foreign travel.  
20th Century art.  
European cinema and fringe theatre.  
Queen Park Rangers Football Club.

## POSTERS

The Royal College of Surgeons of England  
October 1992 Audit Conference for Registrars and Senior Registrars.  
Unexpected findings of pre-pilot and pilot studies to the National Prostatectomy Audit.

British Association of Urological Surgeons (BAUS) June 1993 Annual Conference. Harrogate  
Reference data displayed for symptom severity, impact and quality of life scores.

American Urological Association (AUA) Annual Conference: May 1994. San Francisco, California.  
Prospective multi-regional study of morbidity and mortality following prostatectomy in the United Kingdom.

American Urological Association (AUA) Annual Conference: May 1994. San Francisco, California.  
Differences in morbidity and mortality in a comparative audit in the Northern region.

British Association of Urological Surgeons (BAUS) Annual Conference: June 1996 Edinburgh  
Consent is haphazard for minor urological procedures

British Association of Urological Surgeons (BAUS) Annual Conference: June 1999 Glasagow  
Left lateral or knee elbow position for rectal examination – a randomised trial.

Clinical Excellence Conference. Harrogate 1999 Making clinical data available for audit - the slings and roundabouts of electronic patient records. Barnaby Reeves, Kay Thomas, Toity Deave, Claire Macintosh and Mark Emberton

Exploring Contemporary issues in Surgical Practice. Royal College of Surgeons of England. 2000 Are we following guidelines? The management of lower urinary tract symptoms. Kay Thomas, Barney Reeves and Mark Emberton.

BAUS Annual Meeting Dublin 2001.

Does the site of prostate cancer affect the chance of diagnosis? Bott SRJ, Boyd PJR, Emberton M, Kirby RS, O'Donohue EPN, Shah PJR, Shirihar P, Worth PHL, Young MPA, Parkinson MC.

BAUS Annual meeting Glasgow June 2002

Better guidelines mean fewer tests: a review of guidelines in BPH  
Brown CT, Irani J, van der Meulen J, Emberton M.

BAUS Annual meeting Glasgow June 2002

Effect of short term treatment with finasteride on prostatic microvasculature with BPH  
Arsanius NHN, Calleja RK, Das G, Ragu PGS, Emberton M

BAUS Annual meeting Glasgow June 2002

Towards a self-management programme for men with LUTS – the role of caffeinated drinks.  
Brown CT, O'Flynn E, van der Meulen J, Newman S, Mundy AR, Emberton M.

British Psychological Society September 2002

Adjustment, illness representations and coping in men with lower urinary tract symptoms.  
L. Glover, K. Gannon, J. McLoughlin & M. Emberton

NICE Annual Conference Birmingham November 2002

Auditing data quality: the risks of risk adjustment  
Dr MG Grocott<sup>1</sup>, Dr DZH Levett<sup>1</sup>, C Matejowsky<sup>1</sup>, Professor M Mythen<sup>1</sup>,  
Mr M Emberton<sup>1,2</sup>, Dr J Van der Meulen<sup>2</sup>, Dr J Brown

NICE Annual Conference Birmingham November 2002

What keeps post-operative patients in hospital?  
C Matejowsky<sup>1</sup>, DZH Levett<sup>1</sup>, MG Grocott<sup>1</sup>, M Mutch<sup>1</sup>, M Hamilton<sup>1</sup>, Prof M Mythen<sup>1</sup>,  
M Emberton<sup>1,2</sup>, J Van der Meulen<sup>2</sup>, J Browne<sup>2</sup>

Urological Research Society Jan 2003

The role of ACE inhibitors in delaying the progression of metastatic hormone relapsed prostate cancer  
Kumar V, James L, Haddad F, Montgomery H, Emberton M.

#### CLINICAL ADVISORY PANEL:

Benign Prostatic hyperplasia. Nuffield Institute for Health, University of Leeds and NHS Centre for Reviews and Dissemination, University of York. Effective Health Care 1995; 2 (2).

Chamberlain J, Melia J, Moss S, Brown J. The diagnosis, management, treatment and costs of prostate cancer in England and Wales, October 1996. Report prepared for the Health Technology Assessment Panel of the NHS Executive.

Royal College of Radiologists Clinical Oncology Information Network (COIN) Guidelines Panel 1988

National Institute of Clinical Excellence (NICE), October 1999 – invited participant in seminar on clinical guidelines and audit

National Institute of Clinical Excellence (NICE), January - April 2000 – specialist advisor on referral thresholds for men with lower urinary tract symptoms.

Steering Group participant. Abarelix (Sanofi-Synthelabo) March 2000 onwards

Lead Investigator (UK). Alf-one study (Sanofi-Synthelabo) March 2000 onwards

NHS Research and Development Programme. Clinical adviser. Complications of BPH. November 2000

Drugs and Therapeutics Bulletin. Principal writer on BPH. December 2002

## LECTURES TO LEARNED SOCIETIES

### THE ROYAL COLLEGE OF SURGEONS OF ENGLAND.

Audit and Surgical Outcomes, April 1990

An outline of a computer directed analysis for the purposes of research.

### THE ROYAL COLLEGE OF SURGEONS OF ENGLAND.

Major Conference on Audit, June 1990

The application of an automated surgical management system to answer specific clinical questions in order to effect change.

Thames Valley Surgical Society. 1990

The risk of HIV infection to Surgeons.

Love Bites- the surgical complications.

### THE ROYAL COLLEGE OF SURGEONS OF ENGLAND

Major Conference on Surgical Audit, July 1991.

An introduction to Comparative Audit. A new method of audit delivery.

Possibilities and future implications.

### THE ROYAL COLLEGE OF SURGEONS OF ENGLAND

International Colloquium on Surgical Outcome Measurement, April 1992.

Patient perceived outcomes in prostatectomy. The UK experience.

South West Thames Regional Audit Symposium, Sept. 1992.

Mathematical modelling of large data bases as a predictor of patient outcome.

### THE ROYAL COLLEGE OF SURGEONS OF ENGLAND - REGIONAL AUDIT SYMPOSIUM

The Royal United Hospital, Bath.

Automated data entry in the healthcare environment. Future perspectives.

### BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)

1993 Annual Conference. June 23rd, 1993 Harrogate.

Report on Phase One of the National Prostatectomy Audit.

EUROSURGERY 1993 3rd European Surgical Congress

Queen Elizabeth Conference Centre, London. September 1993.

Use of a patient administration system and optical image scanned data collection to effect a five year outcome study of prostatectomy.

EUROSURGERY 1993 3rd European Surgical Congress

Queen Elizabeth Conference Centre, London. September 1993.

Contemporary versus recollected reports of pre-operative symptom status as a baseline measure of outcome.

### UK CIS UROLOGY WORKSHOP

IBM Centre London, September 1993

Analytical inferences from observational data. What are the limits?

### SYMPOSIUM: CONTROVERSIES IN PROSTATE CANER MANAGEMENT

2nd South-West Regional Prostate Forum - BATH October 1993

### WESSEX REGIONAL UROLOGICAL MEETING

Bournemouth, November 1993.

League tables with meaning. Wessex compared with the rest.

### THE ROYAL SOCIETY OF MEDICINE

Combined meeting - sections of Urology and Epidemiology, February 1994.

Conceptual and methodological basis of The National Prostatectomy Audit.

**SOUTH AFRICAN ASSOCIATION OF UROLOGY**

The National Prostatectomy Audit, March 1994

Summary of results (presented by JC Smith, BAUS President)

**BRISTOL UROLOGICAL INSTITUTE**

Symposium on the management of BPH, April 1994

Was the National Prostatectomy Audit a worthwhile exercise?

**ASSOCIATION OF SURGEONS OF GREAT BRITAIN AND IRELAND**

(ASGBI) 1994 Annual Conference. April 1994 Harrogate.

NHS and Private sector differences in the management prostatectomy in four health regions.

**BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)**

1994 Annual Conference. June 1994 Birmingham.

Mortality, morbidity, and adverse outcomes following TURP.

**BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)**

1994 Annual Conference. June 1994 Birmingham.

A review of patient information sheets in current use for men undergoing prostatectomy.

**THE ROYAL COLLEGE OF SURGEONS OF ENGLAND**

July 1994 One day conference on outcome measurement in surgery.

Methodological aspects.

**SOCIETY OF SOCIAL MEDICINE**

University of Leeds September 1994 Annual scientific meeting.

Use of recollected reports of pre-operative health status as a baseline measure in outcome assessment.

**EUROPEAN SOCIETY OF PEDIATRIC SURGERY**

Prague, Czechoslovakia August 1994

Early repair of inguinal hernia in preterm infants with oxygen dependent Bronchopulmonary Dysplasia.

**6th ANNUAL PMI CONFERENCE**

Portman Hotel, London. October 1994

A comparative analysis of health care outcomes in public and private sectors.

**AUDIT ROADSHOW RCS (Engl.)**

Stockton on Tees Hospital. October 1994

Feasibility of undertaking large scale multi-center audits of outcome.

**AMERICAN UROLOGICAL ASSOCIATION (AUA)**

Las Vegas, April 1995

The effectiveness of prostatectomy in reducing symptoms and improving the quality of life in 5131 men.

**EUROPEAN POLICY FORUM**

Brussels, May 1995

The use and abuse of healthcare outcomes.

**BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)**

Brighton, June 1995

Development of generic patient information booklet for men considering whether or not to undergo prostatectomy.

BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)  
Brighton, June 1995  
The National Prostatectomy Audit - variations in management.

NAHAT CONFERENCE  
Glasgow, June 1995  
Is variation between providers important to purchasers?

PRACTICAL UROLOGY CONFERENCE  
University College (Oxford), September 1995  
The National Prostatectomy Audit: what can be learnt from it?

FIRST BANDOLIER CONFERENCE ON EVIDENCE BASED MEDICINE  
Oxford, November 1995  
Variations in clinical practice explained.

PROSTATE FORUM  
Chepstow, November 1995.  
Guidelines for prostatectomy

IMPROVING CLINICAL EFFECTIVENESS IN HEALTH CARE  
London, November 1995  
Divergence from guidelines.

AMERICAN UROLOGICAL ASSOCIATION (AUA)  
Orlando, USA. May 1996  
Patient information and the outcome of prostatectomy.

University of Birmingham HSMC School of Public Policy  
Birmingham June 1996  
Putting outcomes into purchasing and providing.  
How to buy urological services

BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)  
Edinburgh, June 1996  
Urological outcomes: patient, doctor and society.

BRITISH ASSOCIATION OF UROLOGICAL SURGEONS (BAUS)  
Edinburgh, June 1996  
Orgasmic dysfunction after prostatectomy

ASSOCIATION OF OCCUPATIONAL HEALTH PHYSICIANS  
London, October 1996  
Impact of BPH and prostate cancer in the workplace

PROSTATE FORUM ANNUAL MEETING  
Chepstow, October 1996  
An evidence based approach to invasive therapies for BPH

ROYAL COLLEGE OF SURGEONS OF ENGLAND  
London, November 1996  
Achieving outcomes in surgery

PROSTATE CANCER FORUM  
London, November 1996  
A cost-benefit study of radical prostatectomy

AMERICAN UROLOGICAL ASSOCIATION (AUA)

April 1997. New Orleans, USA.  
Are mens' free-text replies representative of questionnaire responses?

AMERICAN UROLOGICAL ASSOCIATION (AUA)

April 1997. New Orleans, USA.  
Under reported sexual sequelae of prostatectomy.

## **ROLE IN PRODUCTION OF NATIONAL CLINICAL PRACTICE GUIDELINES**

Centre for Reviews and Dissemination. Effectiveness Matters. The management of men with benign prostatic hyperplasia. 1996. Clinical advisor.

National Institute of Clinical Excellence (NICE). Guidelines for referral to secondary care. Clinical advisor.

Drugs and Therapeutics Bulletin (DTB). The management of men with lower urinary tract symptoms. 2001. Lead author /advisor.

European Association of Urology. Clinical Practice Guidelines. Writing Committee.

Board Member. Clinical Guideline Advisory Board. National Institute of Clinical Excellence

NICE Clinical Guidelines: Pre-operative testing 2003

NICE Clinical Guidelines: Colorectal surgery, 2003

NICE Clinical Guidelines: Supportive and Palliative Care, 2003

Treatment Notes Consumer Association. Have you got a prostate problem? No. 28 2003

## **INVITED PARTICIPANT IN EXTERNAL APPRAISAL**

Guys and St Thomas' NHS Trust. Urological Audit meeting, March 2000

## **TEACHING FACULTY MEMBERSHIP**

London and South East England Urology Training Programme 1998 to date

MSc in Urology, UCL. Organiser, tutor and teacher. 1998 to date.

UCL Medical Student Urology Teaching Programme 1998 to date

BAUS Office of Education FRCS(UROL) revision course 1998 to date

British Association of Urological Nurses teaching programme 1998 to date

Joint London Oncology and Radiology Course, Royal College of Radiologists 1998 to date

BMA GP Retainer Scheme, BMA House 1999 to date

Theatre Nursing (advanced programme) Whittington Hospital, 2000 to date

Course Director, Research Methods Course Royal College of Surgeons of England. 2000 -

UCLH Student Supervisor Scheme 2001 – date

University of London PhD Examiner (Internal) 2001

University of Birmingham MB ChB Electronic Teaching Programme Primary Care management of men with urinary symptoms Ellis BW and Emberton M. 2002

University of Bristol. PhD Examiner (External) 2002.

Course Director, Diploma Primary Care Urology (Middlesex University) Oct 2002 to date

## **CONFERENCES / COURSES ORGANISED**

Director of Education, London and South East England Urology Training Programme  
Institute of Urology and Nephrology, 1998 – 1999

Director of Education, London and South East England Urology Training Programme  
Institute of Urology and Nephrology, 1999-2000

Course Organiser, BAUS Office of Education Revision Course  
Institute of Urology and Nephrology, May 1999

Course Organiser, Holmium Laser Prostatectomy Day  
Institute of Urology and Nephrology, April 1999

Course Organiser, Exploring contemporary issues in surgical practice (1) – measuring  
surgical outcome Royal College of Surgeons of England, June 1999

Course Organiser, National Registrar Refresher Course for UK Urological Trainees  
Natural History Museum, London, October 1999

Urological Colloseum (on behalf of St Peter's Society) 1997 to date.

Course Organiser, Exploring contemporary issues in surgical practice (2) – the role of  
diagnostic tests. Royal College of Surgeons of England, July 2000

Course organiser and tutor. Understanding Clinical Trials in Urology. Warren House,  
February 2001.

Course organiser and tutor. Research methods course in surgery.  
Royal College of Surgeons of England, September 2001

Course organiser and Chair. Waiting for Surgery  
Royal College of Surgeons of England, October 2002

## **CURRENT COLLABORATIVE RESEARCH**

Department of Psychological Medicine UCL. Investigation into the psychological impact of  
prostate cancer screening.

Department of Psychology UCL. Coping strategies used by men presenting with LUTS.

HSRU, London School of Hygiene and Tropical Medicine, NICE, Royal College of Surgeons  
of England. Role of routine pre-operative testing in the surgical patient.

HSRU and Department of Health Economics, London School of Hygiene and Tropical  
Medicine, 7 district general hospitals. The utility of diagnostic testing in the man with LUTS.

Department of Health Economics University of York, Department of Economics University of  
Birmingham, Astra-Zeneca. Conjoint analysis in men with advanced prostate cancer.

Pain Management Centre, National Hospital for Nervous Diseases. An investigation into the  
role of pelvic floor relaxation in men with chronic pelvic pain syndrome.

Self management in men with lower urinary tract symptoms. UCLH / Whittington Hospital NHS Trust. 2 year programme.

Chemo-prophylaxis of catheter related infection. A randomised trial. Whittington Hospital NHS Trust Fellowship. 2 Year programme.

Reduce Trial. Chemoprevention of prostate cancer. Multicentre. Steering Group. UK Lead Investigator. GlaxoSmithKline

Alf-One study. Multicentre. Steering Group. UK Lead Investigator. Sanofi-Synthelabo

Negma Pharma and National Medical Laser Centre UCL. Photodynamic therapy for prostate cancer.

National Office for Populations Census Statistics / London School of Hygiene/ Clinical Effectiveness Unit Royal College of Surgeons of England. Use of HES Data to determine outcome of Urological Cancer Care

Non-invasive prostate cancer detection programme. In collaboration with Department of Histopathology (Professor G Williams) University College London and Royal Free Hospital NHS Trust.
