- July 1994 DGOT (German Orthopaedic and Trauma Society) Annual Meeting in Wiesbaden/Germany
- September 1994 International Sportsmedicine Meeting: The knee, when and how to reconstruct ACL/PCL lesions in sportsmen, Wiesbaden
- December 1994 Basic AO Course Davos, Switzerland
- June 1996 GOTS (German Orthopaedic and Sportsmedicine Society) in Munich
- September 1996 Instructional Arthroscopy Course of the Knee in Hamburg/Germany
- June 1997 GOTS (German Orthopaedic and Sportsmedicine Society) in Tübingen
- June 1997 Basic Surgical Skills Course in Tübingen/Germany
- November 1997 SOFCOT (French Orthopaedic and Trauma Society) in Paris/France
- April 1998 French International AO Meeting in Geneva/Switzerland
- May 1998 Forefoot Instructional Course in Bordeaux/France
- June 1998 European Biomechanics Meeting in Toulouse/France
- June 1998 First European Foot and Ankle Society Meeting in Cologne/Germany

November 1998	SOFCOT (French Orthopaedic and Trauma Society) in Paris/France
August 1999	Visit to Mr Valtin, Foot & Ankle Specialist in Paris
September 1999	European Spine Society Meeting in Munich
October 1999	German Foot and Ankle Society Meeting in Lübeck/Germany
March 2000	Instructional Foot and Ankle Society Meeting in Graz/Austria
April 2000	Annual Swiss Foot and Ankle Society Meeting in Davos/Switzerland
May 2000	International Forefoot Surgery Meeting in Bordeaux
June 2000	Second European Foot and Ankle Society Meeting in Stockholm/Sweden
February 2001	Visit to Prof. Boesch, Foot and Ankle Specialist in Vienna/Austria
April 2001	German Foot and Ankle Society Meeting in Aachen
June 2001	Foot and Ankle Course in Stanmore, UK
November 2001	International Foot and Ankle Course in Basel, Switzerland
December 2001	International Meeting for Total Ankle Arthroplasty in Paris, France
December 2001	Advanced Course in Davos, Switzerland
December 2001	Foot and Ankle Course in Munich, Germany
February 2002	Austrian Instructional Foot and Ankle Course in Innsbruck, Austria
March 2002	Diabetic Foot and Ankle Course in Munich, Germany

April 2002	European Foot and Ankle Meeting in Seville, Spain
May 2002	German Orthopaedic and Trauma Society Meeting in Baden-Baden, Germany
June 2002	German Foot and Ankle Society Meeting in Regensburg, Germany
July 2002	Forefoot Reconstruction Course in Bordeaux, France
September 2002	Instructional Foot and Ankle Course in Greifswald, Germany
November 2002	International Foot and Ankle Course in Basel, Switzerland
December 2002	Instructional Foot and Ankle Course in Cologne, Germany
January 2003	Visit to Mr Rippstein, Foot and Ankle Specialist in Zurich, Switzerland
May 2003	BOFFS Annual Meeting in Windermere, UK
May 2003	Instructional Course for Ankle Arthroscopy in Amsterdam, Netherlands
May 2003	Instructional Course for R.A. of the Foot in Berlin, Germany
June 2003	Foot and Ankle Course in Stanmore, UK
June 2003	Visit to Mr Anderson, Foot and Ankle Specialist in Charlotte, USA
June 2003	Annual American Foot and Ankle Meeting in Hilton Head Island, USA
October 2003	European Foot and Ankle Society Meeting in Bristol, UK
October 2003	Instructional Foot and Course in Hamburg, Germany

November 2003	International Foot and Ankle Course in Basel, Switzerland
January 2004	Instructional Foot and Course in Münster, Germany
January 2004	Instructional Foot and Course in Münster, Germany
January 2004	Invitational Foot and Ankle Meeting with Mark Myerson and Mike Coughlin, Teluride, USA
May 2004	Instructional Course for Ankle Arthroscopy in Amsterdam, Netherlands
July 2004	Annual American Foot and Ankle Meeting in Seattle, USA
August 2004	Visit to Prof Hansen Foot and Ankle Centre in Seattle USA
October 2004	Instructional Foot and Course in Munich, Germany
October 2004	Foot and Ankle Arthrodesis Course London, UK
November 2004	British Foot Society Meeting in Manchester, UK
December 2004	Guys & St Thomas GP Meeting London UK
April 2005	German Foot and Ankle Society Meeting in Augsburg, Germany
June 2005	Foot and Ankle Trauma Meeting in Bristol, UK
September 2005	Foot and Ankle Sports injury Meeting in Frankfurt, Germany
September 2005	International Foot and Ankle Society Meeting in Naples, Italy
October 2005	Foot and Ankle Trauma Meeting in Dresden, Germany
October 2005	Foot and Ankle Arthrodesis Course London, UK

- November 2005 British Foot Society Meeting in Oxford, IK
- March 2006 German Foot and Ankle Society Meeting in Heidelberg, Germany
- May 2006 Total Ankle Replacement Course in Zurich, Switzerland
- June 2006 New developments in Foot and Ankle Surgery in Oxford, UK
- June 2006 Visit to University Hospital Heidelberg Foot and Ankle Department in Germany
- July 2006 Orthopaedic South East Circuit Meeting in London UK
- September 2006 European Foot and Ankle Society Meeting in Prague, Check Republic

**Presentation to Learned Societies and Publications**

The Influence of Different Soles in Trainers on Gait:  
A Kinetic and Electromyographic Analysis (Klinke, Graichen, Wolpert)

- June 1996 GOTS (German Orthopaedic and Sporttrauma Society) in Munich, Germany
- June 1997 German Orthopaedic and Sportsmedicine Society Meeting in Tübingen, Germany
- June 1998 European Biomechanics Meeting in Toulouse, France
- June 2000 Second European Foot and Ankle Society Meeting in Stockholm, Sweden

The Role of the European Community in the Training of Registrars in Europe

- March 2003 The French Society of Physicians in Paris, France

Treatment Algorithm for Spinal Stenosis

- March 1999      Short paper presentation at Orthopaedic Hospital  
Harlaching, Munich, Germany
- Neurological Effects following Whiplash Injuries and Algorithm of  
Treatment
- November 1999      Short paper presentation at Orthopaedic Hospital  
Harlaching, Munich, Germany
- Acute Tibialis Posterior Tendon Rupture after Trimalleolar Ankle  
Fracture and ORIF
- December 2002      Short paper presentation at University teaching  
hospital in Basel, Switzerland
- Surgical treatment options for juvenile and adult forefoot disorders
- March 2002      Orthopaedic meeting in Freising Munich, Germany
- Short term results of Hintegra Total Ankle Replacement  
(Klinke, Valderrabano, Hintermann)
- April 2002      European Foot and Ankle Society meeting in Seville,  
Spain
- Algorithm for Tibialis Posterior Dysfunction in Adults (Klinke,  
Hintermann)
- May 2002      German Orthopaedic and Trauma Society Meeting in  
Baden-Baden, Germany
- Short term results of Hintegra Total Ankle Replacement  
(Klinke, Valderrabano, Hintermann)
- September 2002      French Journal of Foot and Ankle Surgery, (2002)  
18:158-165
- Tibio-Talo-Calcaneal Fusion for severe ankle and hindfoot arthritis with  
intramedullary nail (Klinke, Davies)
- July 2004      American Orthopaedic Foot and Ankle Society  
meeting in Seattle, USA
- November 2004      British Orthopaedic Foot and Ankle Society meeting  
in Manchester, UK

April 2005 German Foot and Ankle Society meeting in Augsburg, German

September 2005 International Foot and Ankle Society meeting in Naples Italy

Diagnosis and treatment of Tibialis Posterior Tendon insufficiency

September 2005 German Orthopaedic Sports injury meeting in Frankfurt, Germany

Subtalar Joint Fusion: Indication and Technique

October 2004 London Foot and Ankle Centre Arthrodesis Course in London, UK

October 2005 London Foot and Ankle Centre Arthrodesis Course in London, UK

Sports injuries of the Foot and Ankle: diagnostics and treatment options

February 2006 Invitational Presentation to the department of Physiotherapy at the London Bridges Hospital

May 2006 Invitational Presentation to the department of Physiotherapy at Guys Hospital, London

Algorithm of complicated ankle and hindfoot pathologies

March 2006 South East Registrar Training program meeting

New developments in Sports injuries of the foot and ankle

March 2006 Sports medicine education for GP's

New Developments in Foot and Ankle Surgery

June 2006 GP training London City Group

September GP and Physiotherapy training in London
